INDEPENDENT AUDITOR'S REPORT

To the Partners of
Mount Vernon Park Limited Dividend Housing Association Limited Partnership

Opinion

We have audited the accompanying financial statements of Mount Vernon Park Limited Dividend Housing Association Limited Partnership (the "Partnership") related to the development and rehabilitation of Waverly Place Apartments, MSHDA Development No. 3921 (the "Project"), which comprises the owner's certification of final actual costs - regulatory basis (Form LIHTC 027) and owner's certification of syndication of project - regulatory basis (Form LIHTC 035) for the period from December 22, 2020 to July 19, 2023, and the related notes to the financial statements. We did not audit the contractor's cost outlined in Note 2, which reflects \$12,129,672 of the costs. Those costs were audited by the contractor's auditor whose report was furnished to us. Our opinion, insofar as it relates to the aforementioned amount, is based solely on their report.

In our opinion, the financial statements referred to above present fairly, in all material respects, Mount Vernon Park Limited Dividend Housing Association Limited Partnership's final actual costs related to the development and rehabilitation of Waverly Place Apartments for the period from December 22, 2020 to July 19, 2023 and the syndication of the project, in accordance with accounting methods and reporting practices prescribed by the Michigan State Housing Development Authority's publication *Low Income Housing Tax Credit Program Cost Certification Guidelines* described in Note 1.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Partnership and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter

We certify that we have no financial interest in Mount Vernon Park Limited Dividend Housing Association Limited Partnership other than the practice of our profession.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the basis of accounting methods and reporting practices prescribed by the Michigan State Housing Development Authority's publication *Low Income Housing Tax Credit Program Cost Certification Guidelines*, which is a basis of accounting other than accounting principles generally accepted in the United States of America. As a result, the financial statements may not be suitable for another purpose. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the owner's certification of final actual costs - regulatory basis and owner's certification of syndication of project - regulatory basis in accordance with accounting methods and reporting practices prescribed by the Michigan State Housing Development Authority's publication *Low Income Housing Tax Credit Program Cost Certification Guidelines* described in Note 1; this includes determining that the regulatory basis of accounting is an acceptable basis for the presentation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the owner's certification of final actual costs - regulatory basis and owner's certification of syndication of project - regulatory basis are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Partnership's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Partnership's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant findings, and certain internal control related matters that we identified during the audit.

Restriction on Use

This report is intended solely for the information and use of the Partners and management of Mount Vernon Park Limited Dividend Housing Association Limited Partnership and the Michigan State Housing Development Authority and is not intended to be and should not be used by anyone other than these specified parties.
