INDEPENDENT AUDITOR'S REPORT

To the Partners of the
Oliver Gardens Limited Dividend
Housing Association Limited Partnership

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Oliver Gardens Limited Dividend Housing Association Limited Partnership, MSHDA Development No. 3007, which comprise the balance sheets as of December 31, 2024 and 2023, and the related statements of profit and loss, changes in partners' deficit, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Oliver Gardens Limited Dividend Housing Association Limited Partnership as of December 31, 2024 and 2023, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Oliver Gardens Limited Dividend Housing Association Limited Partnership and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Oliver Gardens Limited Dividend Housing Association Limited Partnership's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Oliver Gardens Limited Dividend Housing Association Limited Partnership's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Oliver Gardens Limited Dividend Housing Association Limited Partnership's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information, as identified in the table of contents, is presented for purposes of additional analysis as required by the *Michigan State Housing Development Authority*, and is not a required part of the financial statements.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated March 31, 2025 on our consideration of the Oliver Gardens Limited Dividend Housing Association Limited Partnership's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Oliver Gardens Limited Dividend Housing Association Limited Partnership's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Oliver Gardens Limited Dividend Housing Association Limited Partnership's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Partnership are prepared on the accrual basis of accounting and in accordance with generally accepted accounting principles.

Cash and Cash Equivalents

The Partnership's cash and cash equivalents are considered to be cash on hand, demand deposits, and any unrestricted investment instruments with original maturities of three months or less. As of December 31, 2024 and 2023, cash and cash equivalents consists of operating cash and operating reserve.

Restricted Cash and Funded Reserves

Tenant security deposits, taxes escrow, insurance escrow, replacement reserve, and operating assurance reserve are considered restricted due to restrictions placed on these accounts.

The following table provides a reconciliation of cash and cash equivalents and restricted cash and funded reserves reported within the balance sheets that sum to the total of the same such amounts shown in the statements of cash flows as of December 31:

	<u>2024</u>	<u>2023</u>
Cash and cash equivalents	\$ 887	\$ 1,122
Restricted cash and funded reserves	<u>274,942</u>	<u>320,198</u>
 Total cash and cash equivalents and restricted cash and funded reserves	 <u><u>\$ 275,829</u></u>	 <u><u>\$ 321,320</u></u>

Tenant Security Deposits

The Partnership maintains accounts for security deposits received from tenants. The cash is restricted for reimbursement of the security deposits unless there is evidence of default by a tenant under the lease agreement. MSHDA regulations provide that tenant security deposits be segregated from the operating cash of the Partnership. All of the deposits owed to tenants has been segregated in restricted cash accounts as of December 31, 2024 and 2023.

Taxes and Insurance Escrows

Taxes and insurance escrows are restricted cash for payments in lieu of taxes (PILOT) and insurance. The Partnership is required to establish and maintain these reserve accounts. These accounts are used to receive monthly deposits sufficient to pay annual PILOT and insurance premiums that are paid from the accounts.

Replacement Reserve

A reserve for replacement is to be funded annually as required by MSHDA.

**OLIVER GARDENS LIMITED DIVIDEND HOUSING ASSOCIATION
LIMITED PARTNERSHIP
MSHDA DEVELOPMENT NO. 3007
NOTES TO FINANCIAL STATEMENTS**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Operating Reserve

An operating reserve was established to remain in place for the duration of the compliance period. The reserve is to be used for operating expenses and other expenses benefiting the Project.

Operating Assurance Reserve

An operating reserve was established at the time of the initial disbursement of the loan proceeds from MSHDA in an amount equal to four months estimated operating expenses. The reserve may be used for operating shortfalls, replacement reserve needs, or other underfunded escrows and obligations to MSHDA.

Accounts Receivable and Credit Losses

The Partnership is exposed to credit losses primarily through rental income and related services. Accounts receivable represent the Partnership's unconditional right to consideration in exchange for housing and other services that the Partnership has provided to the tenant based on contracted prices. Accounts receivable are recorded when invoices are issued and are presented on the balance sheets at the amount management expects to collect. Management provides for probable uncollectible amounts through credit losses expense and an adjustment to the allowance for credit losses. The Partnership's expected loss allowance methodology for accounts receivable is developed using historical collection experience, current and future economic and market conditions, and a review of the current status of tenants' trade accounts receivable. Due to the short-term nature of such receivables, the estimated accounts receivable that may not be collected is based on aging of the accounts receivable balances.

The Partnership evaluates contract terms and conditions, economic and industry risk, tenant credit worthiness, and may require prepayment to mitigate risk of loss. Specific allowance amounts are established to record the appropriate provision for tenants that have a higher probability of default. The Partnership monitors changes to the receivables balance on a timely basis, and balances are written off as they are determined to be uncollectable after all collection efforts have been exhausted. See Note 2 regarding concentrations of credit risk.

Currently, management has determined the value of an allowance for credit losses is immaterial and the recording of such a balance is not considered necessary. Additionally, management has determined that the effect of using the direct write-off method is not materially different from the results that would have been obtained under the current expected credit loss method.

Rental Property and Depreciation

Assets are stated at cost. Depreciation is computed over the estimated useful life of the assets utilizing straight line and accelerated methods for both financial reporting and income tax purposes.

Debt Issuance Costs

Debt issuance costs are amortized over 35 years utilizing the straight-line method. Amortization of debt issuance costs is reported in the statements of profit and loss as interest expense.

NOTES TO FINANCIAL STATEMENTS**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Income Taxes

The income or loss of the Partnership is reportable by the Partners on their individual federal income tax return. Partnership net revenue is allocated to the Partners per the partnership agreement.

Distributions

The Partnership is subject to restrictions under agreements with the Michigan State Housing Development Authority (MSHDA) as to rental charges, operating policies, and distributions to Partners.

Partners' Personal Interests

These statements do not give effect to any assets the Partners may have outside their interests in the business nor to any personal obligations, including income taxes, of the Partners.

Payment in Lieu of Taxes (PILOT)

The Partnership is a participant in a tax abatement program with the City of Lansing providing for payment of a service fee in lieu of regular property taxes. The service fee is computed as 10% of annual shelter rents collected less utility expenses. The payments are expensed in the year in which the related rental income and utilities expense is recognized.

Advertising Costs

Advertising costs are expensed as incurred.

Impairment

The Partnership reviews its investment in rental property for impairment whenever events or changes in circumstances indicate that the carrying value of such property may not be recoverable. For assets held and used, if management's estimate of the aggregate future cash flows to be generated by the property, undiscounted and without interest charges, by the rental property including the low-income housing tax credits and any estimated proceeds from the eventual disposition of the real estate are less than their carrying amounts, an impairment loss has occurred. The amount of the impairment loss is equal to the excess of the asset's carrying value over its estimated fair value. The determination of undiscounted cash flows requires significant estimates by management. Subsequent changes in estimated undiscounted cash flows could impact the determination of whether impairment exists. No impairment loss has been recognized during the years ended December 31, 2024 and 2023.

Unearned Rental Revenue

The Partnership records unearned revenue when cash payments are received or due in advance of the Partnership's performance, including amounts which are refundable.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Revenue Recognition

The Partnership recognized net rental revenue in the period in which the rent is earned. Revenue received from contracts with tenants for housing and related services is recorded over the period of the lease term. Performance obligations identified in the contracts are satisfied on a monthly basis as housing and other services are provided to each tenant. Revenue is recognized in an amount that reflects consideration the Partnership expects to be entitled to in exchange for the housing and other related services provided. In accordance with the industry financial reporting practices, net rental revenue represents total possible rent revenue as if all units are 100% occupied during the year, less vacancy loss.

The following schedule shows the Partnership's revenues disaggregated according to the timing of transfer of goods or services for the years ended December 31:

	2024	2023
Contract revenue recognized at a point in time		
Tenant charges	\$ 1,252	\$ 1,750
Contract revenue recognized over time		
Net rental revenue	297,739	312,956
Total contract revenue	298,991	314,706
Interest	10,041	12,160
TOTAL REVENUE	<u>\$ 309,082</u>	<u>\$ 326,866</u>

NOTE 2 - NATURE OF ORGANIZATION, RISKS, AND UNCERTAINTIES

Oliver Gardens Limited Dividend Housing Association Limited Partnership (the Partnership) was organized in 2006 as a limited partnership exclusively to acquire, rehabilitate, maintain, and operate a 30-unit rental housing project for persons of low and moderate income. Occupancy of the units began in 2007. The project is located in Lansing, Michigan. The major activities of the Partnership, including rental rates, are governed by the partnership agreement and Michigan State Housing Development Authority (MSHDA).

Pursuant to the limited partnership agreement, effective June 30, 2006, the Partnership's profit and loss is allocated, other than special allocations, as follows:

	Profit	Loss
General partner		
Oliver Gardens, LLC	0.01%	0.01%
Limited partner		
LHC Non-Profit Housing Corporation	99.99%	99.99%

**OLIVER GARDENS LIMITED DIVIDEND HOUSING ASSOCIATION
LIMITED PARTNERSHIP
MSHDA DEVELOPMENT NO. 3007
NOTES TO FINANCIAL STATEMENTS**

NOTE 2 - NATURE OF ORGANIZATION, RISKS, AND UNCERTAINTIES (continued)

The Partnership is required to disclose significant concentrations of credit risk regardless of the degree of such risk. Financial instruments which potentially subject the Partnership to concentrations of credit risk consist principally of temporary cash investments and accounts receivable. The Partnership places its temporary cash investments with FDIC insured financial institutions and MSHDA. Although such investments and cash balances may exceed the federally insured limits at certain times during the year and at year-end, they are, in the opinion of management, subject to minimal risk.

In addition, the Partnership recognizes an allowance for credit losses at the time a receivable is recorded based on management's estimate of expected credit losses, historical write-off experience, and current account knowledge, and adjusts this estimate over the life of the receivable as needed. The Partnership evaluates the aggregation and risk characteristics of a receivable pool and develops loss rates that reflect historical collections, current forecasts of future economic conditions over the time horizon the Partnership is exposed to credit risk, and payment terms or conditions that may materially affect future forecasts.

The Partnership performs ongoing credit evaluations of its tenants' financial condition whenever deemed necessary. The Partnership evaluates and maintains, if necessary, an allowance for credit losses based on the expected collectability of all accounts receivable, which takes into consideration an analysis of historical credit losses, specific tenant creditworthiness and current economic trends. Management believes that the Partnership's concentration of credit risk is limited because of its large number of tenants, credit quality of the tenant base, and small account balances for most of these tenants. The Partnership has considered potential credit risk exposure due to the lack of geographic diversification.

The Partnership evaluates events and transactions that occur after year end for potential recognition or disclosure in the financial statements. These subsequent events have been considered through March 31, 2025, which is the date the financial statements were available to be issued.

In the preparation of tax returns, tax positions are taken based on interpretation of federal, state, and local income tax laws. Management periodically reviews and evaluates the status of uncertain tax positions and makes estimates of amounts, including interest and penalties, ultimately due or owed. No amounts have been identified, or recorded, as uncertain tax positions. Federal, state, and local tax returns generally remain open for examination by the various taxing authorities for a period of three to four years.

The process of preparing financial statements in conformity with accounting principles generally accepted in the United States of America requires the use of estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from estimated amounts.

NOTE 7 - DISTRIBUTION OF CASH FLOW

In accordance with the partnership agreement, cash flow shall be distributed in the following order and priority:

- (i) First, to the Limited Partner to the extent of any amount that the Limited Partner is entitled to receive to satisfy any payment required pursuant to the credit adjusters' section in the partnership agreement.
- (ii) Second, to the developer to pay any unpaid balance on the deferred development fee.
- (iii) Third, payment of any accrued and payable asset management fees to the asset manager.
- (iv) Fourth, to the operating reserve account until such time as the account is equal to the operating reserve target amount.
- (v) Fifth, to pay any accrued and unpaid interest and unpaid principal on loans made by the Limited Partner.
- (vi) Sixth, to pay any accrued and unpaid interest and unpaid principal on loans made by the General Partner.
- (vii) Seventh, to the General Partner (in order of loans made, with earlier loans repaid in full before subsequent loans are repaid) to repay any amounts treated as loans to the Partnership (without interest) by the General Partner pursuant to the partnership agreement.
- (viii) Eighth, a total of \$10,000 to the General Partner as a partnership management fee, on a cumulative basis.
- (ix) Ninth, if any remaining cash flow shall be distributed, it is distributable 80% to the General Partner and 20% to the Limited Partner.

NOTE 8 - CURRENT VULNERABILITY DUE TO CERTAIN CONCENTRATIONS

The Partnership's operations are concentrated in the real estate rental market. In addition, the Partnership operates in a heavily regulated environment. The operations of the project are subject to administrative directives, rules, and regulations of federal, state and local agencies, including, but not limited to MSHDA. Such administrative directives, rules and regulations are subject to change by an act of Congress or an administrative change mandated by MSHDA. Such changes may occur with little notice or inadequate funding to pay the related cost, including the additional administrative burden, to comply with a change.

NOTE 9 - CONTINGENCY

The Partnership's low-income housing tax credits are contingent on its ability to maintain compliance with applicable sections of Section 42. Failure to maintain compliance with occupant eligibility and/or unit gross rent or to correct noncompliance within a specified time period could result in recapture of previously taken tax credits plus interest. In addition, such potential noncompliance may require an adjustment to the contributed capital by the Limited Partner.

INSTRUCTIONS:

All yellow shaded cells are entry fields.
 All blue shaded cells are accounts that are used in the Schedule 1.
 The numbers in Column A are the corresponding line numbers from the Schedule 1.
 All bolded accounts are to be separated and not grouped with others.

Select the developments in the pull down list in cell "C2". When you have the development name selected, the corresponding MSHDA Number and Schedule 1 will be automatically filled in cells "C3" and "C6".

Enter the applicable year end in cell "C5".

Enter the applicable contact information, and accounting basis and internal control and compliance information in the yellow cells.

The Schedules will automatically calculate on the Schedule 1, Schedule 2, and Schedule 3 tabs.

The prior year Schedule 2 information will automatically fill if you enter the prior year detail in the bottom section of the Input tab.

After you have completed the worksheet verify there are no "Not Acceptable" errors in the following section.

NOTE: This is not all of the items that will be checked by the asset manager.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND
ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Partners of the
Oliver Gardens Limited Dividend
Housing Association Limited Partnership

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Oliver Gardens Limited Dividend Housing Association Limited Partnership, which comprise the balance sheet as of December 31, 2024, and the related statements of profit and loss, changes in partners' deficit, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated March 31, 2025.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Oliver Gardens Limited Dividend Housing Association Limited Partnership's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Oliver Gardens Limited Dividend Housing Association Limited Partnership's internal control. Accordingly, we do not express an opinion on the effectiveness of the Oliver Gardens Limited Dividend Housing Association Limited Partnership's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Partnership's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Oliver Gardens Limited Dividend Housing Association Limited Partnership's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, including compliance with specific provisions of MSHDA Regulatory Agreement, MSHDA Directives, and HUD regulations and procedures included in the HUD subsidy contract, HOME requirements, and MSHDA Multifamily Audit Guidelines, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We have compared the December 31, 2024 Monthly Income and Expense Report submitted to MSHDA with balances in the financial statements for the year ended December 31, 2024 audited by us and covered by our report dated March 31, 2025. The account balances set forth therein are in material agreement (defined by MSHDA as differences not exceeding 10% and \$3,000), unless noted in the MSHDA input template and supplementary information.

Additionally, no management letter was issued in relation to our audit of the financial statements of Oliver Gardens Limited Dividend Housing Association Limited Partnership as of and for the year ended December 31, 2024.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Partnership's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Partnership's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING MSHDA ELECTRONIC SUBMISSION AGREED-UPON PROCEDURES

To the Partners of the
Oliver Gardens Limited Dividend
Housing Association Limited Partnership

We have performed the procedures detailed below on the electronic submission of certain financial information that was included with the related hard copy documents within the audit reporting package submitted to Michigan State Housing Development Authority (MSHDA). Oliver Gardens Limited Dividend Housing Association Limited Partnership is responsible for the accuracy and completeness of the electronic submission.

Oliver Gardens Limited Dividend Housing Association Limited Partnership and MSHDA have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of determining whether the electronic submission of certain financial information agrees with the related hard copy documents within the audit reporting package. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

The procedures and the associated findings are as follows:

We compared the items listed in the electronic submission with the corresponding items listed in the audit report submitted to MSHDA. The results of the performance of our agreed-upon procedures indicate agreement of the electronically submitted information in MSHDA's Excel audit template and related audit report submitted to MSHDA.

The procedures performed include complying with all requirements in the MSHDA Audit Guide Policy. MSHDA has the discretion to not accept submissions which contain incomplete/inaccurate information, or do not comply with requirements in the MSHDA Audit Guide Policy.

We were engaged by Oliver Gardens Limited Dividend Housing Association Limited Partnership to perform this agreed-upon procedure engagement and conducted our engagement in accordance with the attestation standards established by the AICPA and the standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States. We were not engaged to and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on whether the electronic submission of certain financial information agrees with the related hard copy documents within the audit reporting package. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of Oliver Gardens Limited Dividend Housing Association Limited Partnership and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our agreed-upon procedures engagement.

We were engaged to perform an audit of the financial statements of Oliver Gardens Limited Dividend Housing Association Limited Partnership in accordance with the MSHDA Audit Guide as of and for the year ended December 31, 2024 and have issued our reports thereon dated March 31, 2025. Our opinion on the fair representation of the supplementary financial information dated March 31, 2025 was expressed in relation to the basic financial statements of Oliver Gardens Limited Dividend Housing Association Limited Partnership taken as a whole.

A copy of the reporting package required by MSHDA, which includes the auditor's report, is available in its entirety from Oliver Gardens Limited Dividend Housing Association Limited Partnership. We take no responsibility for the security of the information transmitted electronically to MSHDA.

This report is intended solely for the information and use of Oliver Gardens Limited Dividend Housing Association Limited Partnership and MSHDA, and is not intended to be, and should not be, used by anyone other than these specified parties.

March 31, 2025

To the Partners of the
Oliver Gardens Limited Dividend
Housing Association Limited Partnership

We have audited the financial statements of Oliver Gardens Limited Dividend Housing Association Limited Partnership for the year ended December 31, 2024, and have issued our report thereon dated March 31, 2025. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, *Government Auditing Standards*, as well as certain information related to the planned scope and timing of our audit. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. In accordance with the terms of our engagement letter, we will advise management about the appropriateness of accounting policies and their application. The significant accounting policies used by Oliver Gardens Limited Dividend Housing Association Limited Partnership are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies were not changed during 2024. We noted no transactions during the year for which there is a lack of authoritative guidance or consensus. There are no significant transactions that have been recognized in the financial statements in a different period than when the transaction occurred.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements were:

Management's estimate of the useful lives of fixed assets is based on depreciable lives as defined in Note 1 of the financial statements. We evaluated the key factors and assumptions used to develop the useful lives in determining that it is reasonable in relation to the financial statements taken as a whole.

Management's estimate of the allowance for credit losses is based on the factors defined in Note 1 and Note 2 of the financial statements. We have evaluated the key factors and assumptions used to develop the allowance in determining that it is reasonable in relation to the financial statements taken as a whole.

The disclosures in the financial statements are neutral, consistent, and clear. Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. We did not identify any sensitive disclosures.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated March 31, 2025.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Oliver Gardens Limited Dividend Housing Association Limited Partnership's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Oliver Gardens Limited Dividend Housing Association Limited Partnership's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Information in Documents Containing Audited Financial Statements

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with U.S. generally accepted accounting principles, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of the Partners and management of Oliver Gardens Limited Dividend Housing Association Limited Partnership and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Maney Costeiran PC
